<sup>1</sup> Restart Grant Plus: closed to new applications from 31 October 2020. Figures on the Restart Grant and Restart Grant Plus are correct as of the 30 April 2021.

<sup>2</sup> The total number of SBASC Phase 1 applications is 3,541, with €14.16M potentially committed in expenditure. This figure may change as applications continue to be assessed.

<sup>3</sup> Fluctuation in the total number/amount of loans recorded under the Covid-19 Working Capital Scheme is due to adjustment to address differing data tabulation/collation methods used by the participating finance providers.

<sup>4</sup> Work is under way on a €125m expansion to this scheme.

<sup>5</sup> Figures for the Covid-19 Working Capital Scheme are based on most up-to-date data as of 07 May 2021.

<sup>6</sup> Figures for the Brexit Loan Scheme are correct as of 04 May 2021

<sup>8</sup> Enterprise Ireland has engaged with 7,800 companies in relation to COVID-19. For many, the first step is to obtain the Business Financial Planning Grant which assists companies to understand their immediate financial position, secure the finance required to survive and provide a framework to sustain the business. EI have to date received 1077 applications for the Business Financial Planning Grant. Over the coming weeks and months, EI expects that many applications for Financial Planning Grants will transform into Sustaining Enterprise Fund applications. EI actively work with all applicants on a one-to-one basis to ensure they get the right support at the right time. The Sustaining Enterprise Fund, Small Enterprise Fund and HPSU Enterprise Fund and the EI COVID Product Scheme are all subject to budget availability.
