- New Corporate Enforcement Authority vacancies
- Webinar - How standards and industry can work together for a sustainable energy future

Ireland's new Enterprise Digital Advisory Forum and AI Ambassador

The new [Enterprise Digital Advisory Forum](#) will support Government in driving the digitalisation of enterprise across Ireland. It brings together representatives of indigenous enterprise, multi-national enterprises and experts in digital technologies.

Among the Forum's membership is [Dr Patricia Scanlon](#) who was recently appointed as Ireland's first ever AI Ambassador. A key part of Dr Scanlon's role will be to engage with young people on their attitudes, awareness and fears in relation to AI as well as to promote careers in technology.

Shannon Estuary Economic Taskforce holds first meeting

The [Shannon Estuary Economic Taskforce](#) has [held its first meeting](#), discussing the actions required from Government and stakeholders to exploit the estuary's areas of potential.

The Taskforce will produce a report by the end of November this year with a view to specifying the actions which can be taken to create jobs and secure investment along the estuary and in its vicinity.

Impact 2030: Ireland's Research and Innovation Strategy

Impact 2030 will ensure that Ireland's investment in research and innovation makes as big a difference as possible to as many people as possible. It will achieve this by building a more inclusive and engaged research and innovation system that is recognised as integral to addressing major societal issues ranging from climate change to health and wellbeing.

For enterprise, this new strategy aims to broaden and deepen innovation capability across all sectors and regions.

Public Consultation on Collective Bargaining

The Department of Enterprise, Trade and Employment is seeking views on proposals being considered by the High-Level Group on Collective Bargaining. This Group was set up under the Labour Employer Economic Forum (LEEF) to review collective bargaining and the industrial relations landscape in Ireland.

The deadline for submissions is Thursday, 16 June 2022.

IET Webinar

National Standards Authority of Ireland (NSAI) colleagues are taking part in an upcoming IET webinar titled 'How Standards and Industry can work together for a sustainable energy future'.

NSAI aims to increase Ireland's pool of knowledge relating to hydrogen standardisation, drawing on the widest possible panel of experts including industry, Irish academia and research bodies.

The webinar takes place on Tuesday, 14 June at 6.30pm.
