

North-East Event, Dundalk, Friday, 22 September 2023

The Department of Enterprise, Trade and Employment is holding a free business event in the North-East which will focus on the opportunities and challenges presented by the green economy and digital transformation

Remarks from Minister Simon Coveney TD and Minister Neale Richmond TD

Panel discussions on the opportunities and challenges of the digital and green transition, and on the experiences of successful SMEs in the North-East

Experts on hand to talk you through the range of supports available from Government

Connect with other businesses who have taken steps on their digital and green journeys

What people are saying about previous events

“The panel discussions are very informative”

“A really great opportunity to network with like-minded business people”

“A one-stop-shop for networking and understanding Government support agencies”

Come along for the morning or just drop in and build a better business
