P04_Apr_2024 Report for Ukraine Credit Guarantee Scheme

Ukraine Credit Guarantee Scheme 1.

The Ukraine Credit Guarantee Scheme (UCGS) is offered by the Department of Enterprise, Trade and Employment (DETE) and the Department of Agriculture, Food and the Marine (DAFM) to provide viable SMEs and Small Mid-Caps, including primary producers, impacted by economic challenges arising from the conflict in Ukraine with access to low-cost finance.

The scheme supports economic activity in Ireland, facilitating the provision of working capital and medium-term investment finance to businesses adversely impacted by the conflict in Ukraine who are facing supply chain disruptions and increased input (including energy) costs.

Borrowers contribute to the cost of the scheme by paying a risk premium on the credit advanced. This premium is incorporated into the margin on the loan, collected by the on-lender and paid to Government of Ireland.

Classification of SMEs

Micro, Mid-Cap, Small and Medium-sized enterprises are defined according to their staff headcount and turnover or annual balance sheet total.

A micro enterprise is defined as an enterprise which employs fewer than 10 people and whose annual turnover and/or annual balance sheet total does not exceed €2 million.

A small enterprise is defined as an enterprise which employs between 10 and 49 people and whose annual turnover and/or annual balance sheet total does not exceed €10 million.

A medium-sized enterprise is defined as an enterprise which employs between 50 and 249 people and whose annual turnover does not exceed €50 million or whose annual balance sheet total does not exceed €43 million.

A Small Mid-Cap is an enterprise that is not an SME but has fewer than 500 employees.
