⁶ Trading Online Voucher (TOV) Scheme is being reported for the period from 1st January 2020.

⁷ Enterprise Ireland has engaged with 6.900 companies in relation to COVID-19. For many, the first step is to obtain the Business Financial Planning Grant which assists companies to understand their immediate financial position, secure the finance required to survive and provide a framework to sustain the business. EI have to date received 937 applications for the Business Financial Planning Grant. Over the coming weeks and months, EI expects that many applications for Financial Planning Grants will transform into Sustaining Enterprise Fund applications. EI actively work with all applicants on a 1-2-1 basis to ensure they get the right support at the right time.

Summary of COVID-19 Support Objectives

Local Authority Supports

- **Restart Grant:** Offers financial assistance of up to €10,000 (based on commercial rates bill from 2019) to micro and small businesses to help with costs associated with reopening and reemploying working following COVID-19 closures. Revised and replaced by Restart Grant Plus.
- **Restart Grant Plus:** The maximum grant up to €25,000 (up from €10,000) and the minimum payment will be €4,000 (up from €2,000). Firms that previously applied for the Restart Grant will be eligible to apply for a second top-up payment to a total combined value of the revised minimum and maximum grant levels.

SBCI Supports

- **COVID-19 Working Capital Scheme:** Provides working capital loans to COVID-19 -impacted businesses
- **Credit Guarantee Scheme:** Provides guarantees to participating lenders on loans
- **COVID-19 Credit Guarantee Scheme:** Provides guarantees to participating lenders on loans
- **Future Growth Loan Scheme-1:** Provides longer-term loans for strategic investment. (Not a specific COVID-19 support, but can be used as businesses respond to the pandemic)
- **Future Growth Loan Scheme- Expansion:** To provide for longer-term loans for strategic investment: the expansion was launched in July, during the COVID-19 pandemic

Microfinance Ireland Support

- **COVID-19 loan:** Provides loans to microenterprises that do not meet the conventional risk criteria of banks

Local Enterprise Office Supports

- **The Businesses Continuity Voucher:** Provide support to firms who need assistance with business continuity and preparedness arising from the COVID-19 outbreak.
- **Trading Online Voucher Scheme:** Offers financial assistance of up to €2,500 along with training and advice to help your business trade online. Businesses that have already received a Trading Online Voucher can now apply for a second voucher, where upgrades are required.

Enterprise Ireland Supports

- **Online Retail Scheme €2m:** The objective of the Scheme is to support companies in the indigenous retail sector with a pre-existing online presence to respond to both the domestic and international consumer demand for a competitive online offer.
- **COVID-19 Business Financial Planning Grant:** Grant to provide a strategic intervention to clients to work with third party consultants to prepare a detailed financial plan with forecasts and assumptions.
- **LEAN Business Continuity Offer:** The Lean Business Continuity Voucher will support enterprises to access up to €2,500 in training or advisory services support related to the continued operation of their business during the current pandemic.
- **Sustaining Enterprise Fund:** Available to EI and IDA clients. The purpose of the fund is to sustain companies who have been impacted by a 15% or greater reduction in actual or projected turnover or profit, and/or have a significant increase in costs as a result of the COVID-19 outbreak.
- **Sustaining Enterprise Fund – Small Enterprise:** The purpose of the fund is to sustain eligible manufacturing and internationally traded services companies to provide support to companies: who have been impacted by a 15% or more reduction in actual or projected turnover or profit; and require access to liquidity to sustain business continuity.

- **Sustaining Enterprise Fund – HPSU:** Scheme is aimed at EI's HPSU companies who, due to the negative economic impact and uncertainty arising from COVID-19, are facing challenges in growing sales revenues as originally projected, require funding to execute a revised business plan and are facing challenges to securing this funding.
- **COVID-19 Products Scheme/Life Sciences Products Scheme** – delivered through EI and the IDA, aimed at supporting the research, development and production of COVID-19 related products in Ireland. Allows for grant aid of up to 50% of eligible capital investment. See also listed under IDA Ireland Support below.

Intertrade Ireland Supports

- **E-merge:** Administered by Intertrade Ireland. Consultancy support & advice to help businesses develop online sales & ecommerce solutions.
- **Emergency Business Solutions:** Administered by Intertrade Ireland. Fully funded consultancy support & advice to address key business challenges in areas such as emergency cashflow, loan applications and HR/People

IDA Ireland Support

- **Business Continuity Support:** Open to all IDA clients, the purpose of this support is to provide consultancy and training support to client companies of IDA to manage their operations and recover their business during this pandemic. Initial support of €2,500 can be approved up to a maximum support of €29,700.
- As a direct response to the global COVID-19 pandemic, Ireland's new **COVID19 Products Scheme** will allow for up to €20m in targeted State support to accelerate relevant Research and Development, upscale construction or upgrading of testing infrastructures and fast-track production capacity of product. See also listed under EI Supports above.

Summary of Brexit Support Objectives

SBCI Supports

- **Brexit Loan Scheme:** open for eligible businesses with up to 499 employees to innovate, change or adapt in response to Brexit-related challenges. Loans range from €25,000 up to €1.5m, for terms of up to three years and a maximum interest rate of 4%. Loans up to €500,000 unsecured. This may be useful for businesses who have Brexit impacts on their cashflow (conditions apply).

Enterprise Ireland Supports

- **Ready for Customs Grant:** a new €20 million Customs Clearing Capacity Building Scheme to help SMEs involved in exporting and importing with the UK and further afield to put in place the staff, software and IT systems to be ready for new customs arrangements from 1 January 2021.
- **Online Customs Insights Course:** 40-minute online course on key customs concepts, documentation and processes.
- **Brexit Advisory Clinics:** took place nationwide providing information and practical support through individual meetings across Strategic Sourcing, Financial & Currency Management, Customs Transport & Logistics.

Local Enterprise Office Supports

- **Preparing your Business for Customs Workshops:** providing businesses with a better understanding of the potential impacts, formalities and procedures when trading with the UK post transition period.

- Technical Assistance for Micro-Exporters (TAME) Grant: part-funding the costs that can be incurred in investigating and researching export markets, e.g. exhibiting at Trade Fairs, preparing marketing material and developing websites specifically targeting overseas markets.

InterTrade Ireland Supports

- Brexit Advisory Service: practical advice, support and information on Brexit related issues.
- Brexit Planning Voucher: offers 100% financial support up to £2,000/€2,250 (inclusive of VAT) towards professional advice in relation to Brexit matters.
