<sup>19</sup> Enterprise Ireland has engaged with 7,800 companies in relation to COVID-19. For many, the first step is to obtain the Business Financial Planning Grant which assists companies to understand their immediate financial position, secure the finance required to survive and provide a framework to sustain the business. EI have to date received 1,034 applications for the Business Financial Planning Grant. Over the coming weeks and months, EI expects that many applications for Financial Planning Grants will transform into Sustaining Enterprise Fund applications. EI actively work with all applicants on a one-to-one basis to ensure they get the right support at the right time.
